Family owned and operated for over 30 years, they are the North Bay leader in tile installation and granite fabrication for residential remodels, new home construction and commercial jobs.

From start to finish, North Coast Tile is dedicated to working with you on accomplishing your vision.

Hundreds of granite, quartzite, marble, soapstone, limestone and onyx slabs to choose from in their acre large outdoor yard.

Inside is a beautiful boutique tile showroom offering hand selected tile lines from all over the world.

Six designers are on staff to help you achieve your vision. At North Coast Tile they are also happy to work with you and / or your Designer, Contractor and Architect.

Expertise, knowledge and trust make them the tile company that provides the solid foundation you will need to get your project started.
